On May 31, 2012, the defendant filed a motion for attorney's fees (#205) and a motion for leave to file under seal documents in connection with the motion for attorney's fees (#207). On June 14, 2012, the plaintiff filed a notice of appeal (#209). The court therefore exercises its discretion to reserve consideration of the motions pending resolution of plaintiff's appeal. See Fed. R. Civ. P. 54 (1993 Amendments), advisory committee's note. Accordingly, defendant's motions (#205, #207) are denied without prejudice, to renew within fourteen days of the court's order on mandate if the judgment in this action is affirmed.

IT IS SO ORDERED.

DATED: This 28th day of June, 2012.
